Rasch, J., Greenwald, D., & Siebers, H. (1979, September). Ageism and sexism in mental health decision making. Poster session at the convention of the American Psychological Association, NY, NY.

Toseland, R., & Rasch, J.D. (1976, October). Community satisfaction of elderly: A study of predictor interaction. Paper presented at the 29th Annual Meeting of the Gerontological Society, NY, NY.

National Committee Work:

Member. Research Awards Committee, American Rehabilitation Counseling Association. 1986 & 1987.

Chairperson. Licensure Committee, American Rehabilitation Counseling Association. 1983-1985.

Co-Chairperson. Research Subcommittee, Committee on Training and Research, National Association of Rehabilitation Professionals in the Private Sector. 1982-1984.

Chairperson. Task Force on Student Recruitment, National Council on Rehabilitation Education. 1981-1982.

USF Department of Rehabilitation Counseling Administrative Products:

USF Self-Study for Accreditation by the Council on Rehabilitation Education (1995). This is a product held in a five inch ring binder. The program was subsequently accredited from the Fall of 1995 through the Summer sessions of 2003 without a site visit being required by the accrediting body.

USF Department of Rehabilitation Counseling Self-Study for the Board of Regents (1996). This is a product held in a two inch ring binder. The review was part of a cycle where every eight years Allied Health programs are reviewed statewide. The program's review by the consultants was positive.

Student Handbook for Graduate Studies in Rehabilitation Counseling (1994). This was the first Department handbook for graduate students. I revised it in 1996.

Handbook for Field Supervisors and Agencies (1994). This was the first Department handbook for field supervisors. I revised it again in 1996.

Graduate Level Teaching at USF:

Practicum I in Counseling
Practicum II in Counseling

Evaluation in the Rehabilitation Process (Individual Evaluation & Assessment)
Internship in Rehabilitation
Interpersonal Aspects of Rehabilitation Counseling I: Personality Theories
Interpersonal Aspects of Rehabilitation Counseling II: Counseling Theories
Learning Principles and Procedures
Treatment Modalities with Eating Disorders
Research in Rehabilitation (Research and Program Evaluation)
Medical Aspects of Disability
Placement Methods and Processes (Placement & Career Counseling Processes)
Practicum in Rehabilitation (I & II)
Psychosocial Aspects of Disability
Rehabilitation Concepts and Theoretical Issues (Foundations & Ethics)
Seminar in Human Development Issues in Counseling
Seminar in Psychopathology
Seminar in Principles and Practices of Rehabilitation Counseling
Seminar in Minority Rehabilitation
