New business:

- I. **CFS – Graduate Certificate:** Leadership in Child & Adolescent Behavioral Health
 - a. Certificate is relevant because many professionals are not ready or do not have time for the MS program; no new courses; market with MS program; program can absorb new students without adding new section of courses; feedback from committee: required courses should not be required in other certificates, pair down electives to 3-4, use electives as stepping stone to MS program; send certificate program language to Carol.
 - b. Motion to approve by Khary Rigg, seconded by Debra Dobbs; all approved.

- II. **New Academic Year 2016-17**
