

Grant applications for the second cycle of the College of Behavioral and Community Sciences (BCS) Research Grant Program will be due October 15th. The BCS grant program provides opportunities for faculty to secure funding to support scientific research related to the mission and goals of the College as well as priority areas identified by federal and other granting agencies. BCS Faculty are invited to attend a Pre-Application Workshop. The purpose of this workshop is to provide general information on the requirements and grant application process.
