

## University Facilities and Administration Workshop

**November 10, 2010**

**10 a.m. - Noon**

**Westside E**

### Workshop Details:

The workshop is designed to provide an understanding of how the University's Facilities and Administration (F&A) rates are determined, what F&A supports, how Cost Sharing inversely impacts the University's F&A rate and how USF recovered F&A is distributed and expensed. It also introduces a tool that will help faculty and staff more easily identify the rate that should be used when preparing a proposal budget.
