#### **1) Using Blackboard - What's New! 1 - 2pm**

This traditional workshop will serve as a general refresher for using Blackboard, along with highlighting new features that are available.

#### **2) Blackboard Interactive! 2 - 3pm**

This interactive workshop will immediately follow the Using Blackboard - What's New! session. This session will walk users through a selection of Blackboard functions as well as being an open forum for your "how do I do that?" questions.

**Friday, November 4th - MHC 1329 (CBCS Computer Lab)**

***Please RSVP to Patty Cleveland ([cleveland@usf.edu](mailto:cleveland@usf.edu)) by October 31, 2011  
as space is limited for each workshop.***
