<https://www.systemacademics.usf.edu/proposals/tracking/courses?p=1705>
Summary of Changes: requesting Research Methods in Aging be considered for inclusion in USF's enhanced General Education Curriculum as a HIP Undergraduate Research course.
2. Rehab & Mental Health Counseling/CFS: new Marriage & Family Therapy master's degree program (Ryan Henry)
 - If you were to read the proposal as an "outsider," does it make sense? Do the responses answer the questions being asked clearly?
 - Do you notice any grammatical errors or spelling mistakes?
 - Do the various sections correspond with each other? For example, does Appendix A match the data described in the narrative when referencing Appendix A?
